The Siberian Husky Club of Great Britain are pleased to announce that they will be holding a Breed Specific Judging Seminar with assessments.

This seminar is recommended for those aspiring to judge Siberians or who wish to build further on their understanding and knowledge as they move towards CC level.

Our guest speaker is Sarah Robinson (Rigrunner)

Come and join in with 'The White Conversation.'

On the day, we will be running two levels of assessment:

Level 1: Breed Seminar followed by a multiple choice exam based on the breed standard (required for inclusion on the B List)

Level 2: Breed Seminar followed by practical judging competence assessment (required for inclusion on the A3 list.) The assessment will be run in line with KC guidelines, using all KC pro-forma. (Full details on application.)
